Re: World Trade Center Litigation 21 MC 102 (AKH)  
Kowalewski V. Deutsche Bank Trust Company Americas et. Al 06 CV1521

Dear Judge Hellerstein,

I have been subpoenaed along with our Polish interpreter, Marta Pirog to appear for a video deposition in the above captioned matter. We received by hand on October 14, 2013 a subpoena to appear for a video deposition. I am not a party to the litigation. I have contacted defendant's counsel and spoke to Mr. Benjamin Hagland. Mr. Hagland advised he is requesting video deposition and will be asking questions regarding whose hand writing appears on the Disability Report Adul. I have attached the subpoena and the attachment.

We are requesting that the defense be directed to submit interrogatories with regards to hand writing questions. The request for interrogatories will be answered promptly. The request to appear for depositions is difficult to comply with because we have daily calendars where hearings are conducted throughout the day. In addition, the request to appear will require that we hire counsel.

These are time-consuming matters, so if Your Honor will not order interrogatories in lieu of depositions, we respectfully request an adjournment to early December.

A copy of this request has been faxed to defense counsel, Mr. Benjamin Hagland today.

Thank you for this consideration.

Sincerely,

Leslie Tilles Esq.
